The Hospitality & Tourism Management program of study is a three (3) course Career and Technical Education (CTE) program designed to prepare students for employment in the hospitality industry. Students explore management and technical skills needed for success and practice industry-specific skills that can be used in all aspects of the hospitality and tourism industry. Students also acquire employability skills such as leadership, guest services, accountability, teamwork, and responsibility. The program prepares students for careers such as front office supervisor, front desk associate, director of tourism, and general manager.
